HOW CURRYiT MAKES IT EASY

WHAT IS THE CONSUMER DOING AND WHERE?

Tired after work; searching for a dinner solution, not a brand.
Google Search · Google AI search · search-led discovery
Captured: “quick Indian dinner” (Google), “15-minute dinner” (Blinkit).

WHO IS WINNING THE SURFACE TODAY?

Recipe publishers. Captured Google results: simplyfamilyrecipes.com, justlovecooking.com.
Media Overview names Swasthi’s Recipes & Hebbar’s Kitchen as established quick-dinner publishers.

WHAT IS CURRYiT’S LEVER HERE?

Problem-led SEO + Search Ads while organic builds.
Ranking action:

- Dedicated “quick dinner” intent pages
- Link content to relevant SKUs
- FAQs / structured, GEO-ready content
- Internal linking → topical authority

WHAT IS THE CONSUMER DOING AND WHERE?

Knows the dish; wants an easier way to make it.
YouTube · Google · recipe publishers · searchable Shorts
Dish intents from brief: Butter Chicken, Paneer Butter Masala, Chettinad Chicken, Biryani, Rogan Josh.

WHO IS WINNING THE SURFACE TODAY?

Recipe creators. Captured Shorts show 3.1M–60M views; Chef Sanjeev Kapoor Khazana long-form ranks below.
Media Overview: Hebbar’s Kitchen quick-dinner video ~3M views vs far smaller reach for CURRYiT’s product-led video.

WHAT IS CURRYiT’S LEVER HERE?

Recipe SEO · YouTube SEO · Shorts · creator collabs · dish landing pages · 3-step demos.
Ranking action:
One search-optimised asset per high-intent dish (title, description, chapters, link to SKU).

WHAT IS THE CONSUMER DOING AND WHERE?

Casually scrolling after work, not searching: “That looks good. I could make that tonight.”
Instagram Reels · Facebook · YouTube Shorts · food/lifestyle creators

WHO IS WINNING THE SURFACE TODAY?

Food & lifestyle creators, UGC and short-form cooking content.
Benchmark (Media Overview): Cookd built a 1M+ home-cook community on YouTube/Instagram before its product business.

WHAT IS CURRYIT'S LEVER HERE?

Creator seeding · UGC · Reels/Shorts · Meta amplification of organic winners · retargeting.
Hooks:
“POV: You reach home at 8:30 PM” · “What I cooked after work” · “Dinner in 15 minutes” · “3 steps from packet to plate”

Structured product data already surfaces: price range, in stock, 4.8★ (445), free delivery.

Make CURRYIT easy for answer engines to understand, trust and reference.

WHAT IS THE CONSUMER DOING AND WHERE?

Asks full questions, e.g. “What can I cook with paneer in 20 minutes?”, “Which curry paste is preservative-free?”
Google AI Mode / AI Overviews · Gemini · ChatGPT

WHO IS WINNING THE SURFACE TODAY?

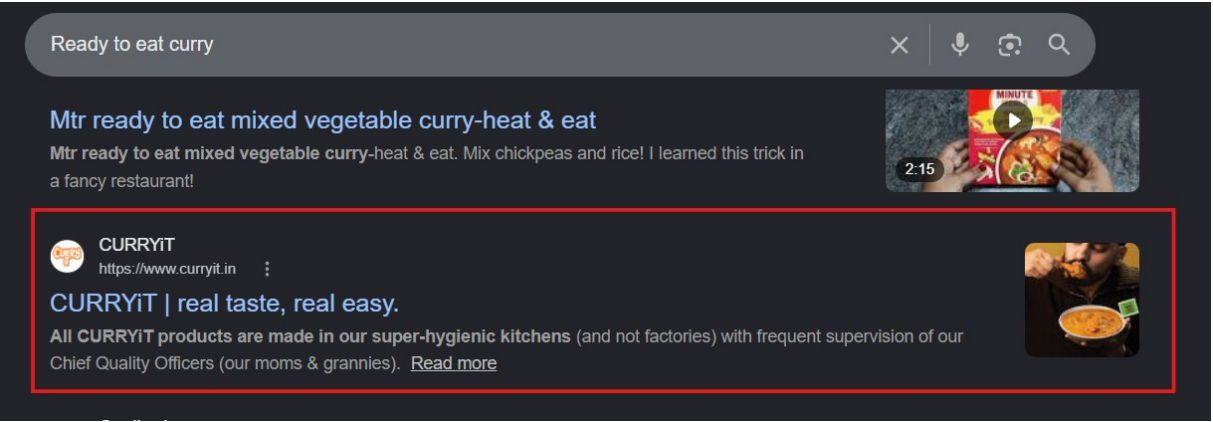

No single winner. Trusted, structured, well-supported sources are best placed.
Google reports AI Mode queries are 2–3× longer than traditional searches (Media Overview).

WHAT IS CURRYIT'S LEVER HERE?

GEO / AEO: FAQs, ingredient & recipe pages, serving + prep info, process & shelf-life explanation, structured data, credible external mentions.
Improves eligibility; does not guarantee AI inclusion.

3. TRUST: PROVE IT TO ME

Google — search: Ready to eat curry

PARTIALLY VISIBLE — CURRYiT at 8th position (research)

CURRYiT’s own trust message is what surfaces: “super-hygienic kitchens (and not factories)... Chief Quality Officers (our moms & grannies)”.

WHERE THE TRUST CONVERSATION HAPPENS

Reddit

Quora

Google

Reviews

Social comments

Communities

Reddit evidence (Media Overview): users recommend MTR, ITC, Haldiram’s, Cookd and CURRYiT depending on the use case; CURRYiT already gets organic mentions for biryani, chhole, Kosha Mangsho and butter masala.

WHAT IS THE CONSUMER DOING AND WHERE?

- “Is CURRYiT actually good?”
- “Do curry pastes taste packaged?”
- “How can CURRYiT last so long without preservatives?”
- “Is it worth the money?”

Reddit · Quora · Google · reviews · social comments · communities

WHO IS WINNING THE SURFACE TODAY?

Real consumer experiences and credible peer conversations — not advertisers. Surface Blueprint: trusted community discussions and transparent manufacturing proof win over marketing claims.

WHAT IS CURRYiT'S LEVER HERE?

Community listening · earned advocacy · genuine reviews · transparent factual answers · FAQ development · ingredient/process education · reputation monitoring.

Visibility action:

Monitor relevant questions → identify recurring objections → improve FAQs → publish factual shelf-life/process answers → encourage genuine reviews → earn credible third-party mentions.

Do NOT manipulate Reddit or Quora — treat them as listening posts, not ad channels.

4. MARKETPLACE: LET ME COMPARE

Amazon is both a search/ad surface and the checkout.

WHAT IS THE CONSUMER DOING AND WHERE?

Compares curry paste, ready-to-cook curry, butter masala, biryani paste, wet masala.

Judges price, ratings, reviews, serving size, prep time, ingredients, images, offers, brand credibility.

Captured: “curry masala”, “regional Indian curry”.

WHO IS WINNING THE SURFACE TODAY?

No universal winner. Sponsored slots lead: Cheffin (plus Tulua on “curry masala”; SHIP on “regional Indian curry”).

CURRYiT appears organically right after: Chettinad 4.0★ (248), Rogan Josh 4.0★ (213).

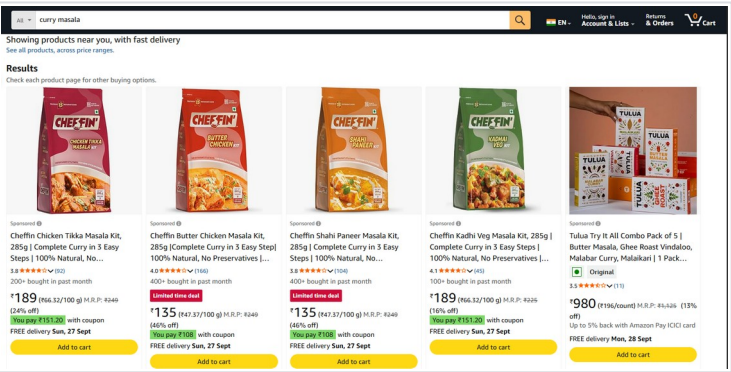

WHAT IS CURRYiT'S LEVER HERE?

Amazon SEO · Sponsored Products/Brands on hero SKUs · A+ Content · first image stating 15 mins / what to add / serves · ratings · coupons · regional flavour.

Ranking action:

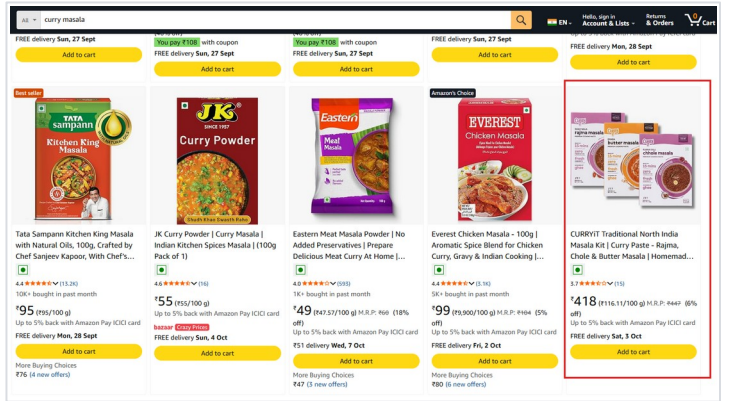

Title/bullets/search terms → hero-SKU ads → lift CTR & conversion → legitimate reviews → test high-intent sponsored keywords.

6. CONVINCE ME FULLY → LET ME EXPERIENCE IT

D2C — CURRYiT.IN · “CONVINCE ME FULLY”

Illustrative D2C concept — Surface Blueprint

WHAT IS CURRYiT'S LEVER HERE?

CRO · product selector · what-you-add · serving size & cost per serving · bundles · ingredient/process proof · FAQs · reviews · email/WhatsApp capture · retargeting.

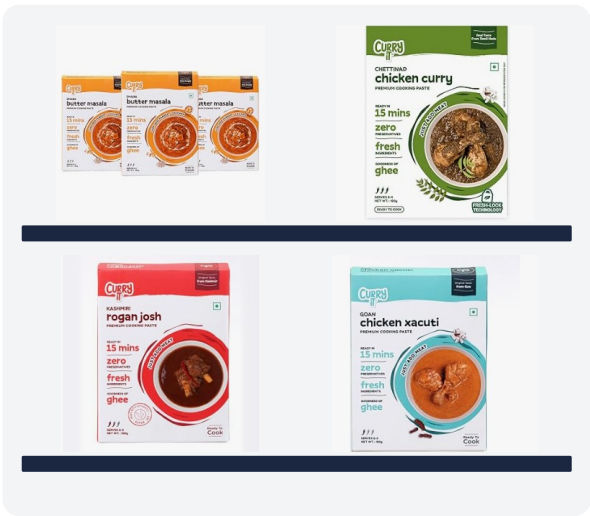

IF ORGANIC VISIBILITY IS WEAK

Search-intent landing pages → recipe/category authority → internal linking

IF TRAFFIC EXISTS, CONVERSION IS WEAK

Product-page clarity → trust proof → prep & serving info → finished-food imagery

OFFLINE — RETAIL & SAMPLING · “LET ME EXPERIENCE IT”

Shelf / sampling concept using real CURRYiT packs from research screenshots

WHAT IS CURRYiT'S LEVER HERE?

Distribution · sampling · 3-step demos · end caps · shelf visibility · POS · QR recipe demos · regional displays.

KEY BARRIER

“Will it actually taste good?”

One good sample can resolve the taste objection faster than multiple digital ads.

WHAT IS THE CONSUMER DOING AND WHERE?

- What exactly am I buying?
- What do I need to add?
- How does it work? Will it taste good?
- Is the no-preservative claim believable?
- Which flavour should I buy?

WHO OWNS THE SURFACE?

CURRYiT. Strongest assets (Media Overview): sourcing explanation, process, 20+ checks, shelf-life explanation, bookable kitchen visits.

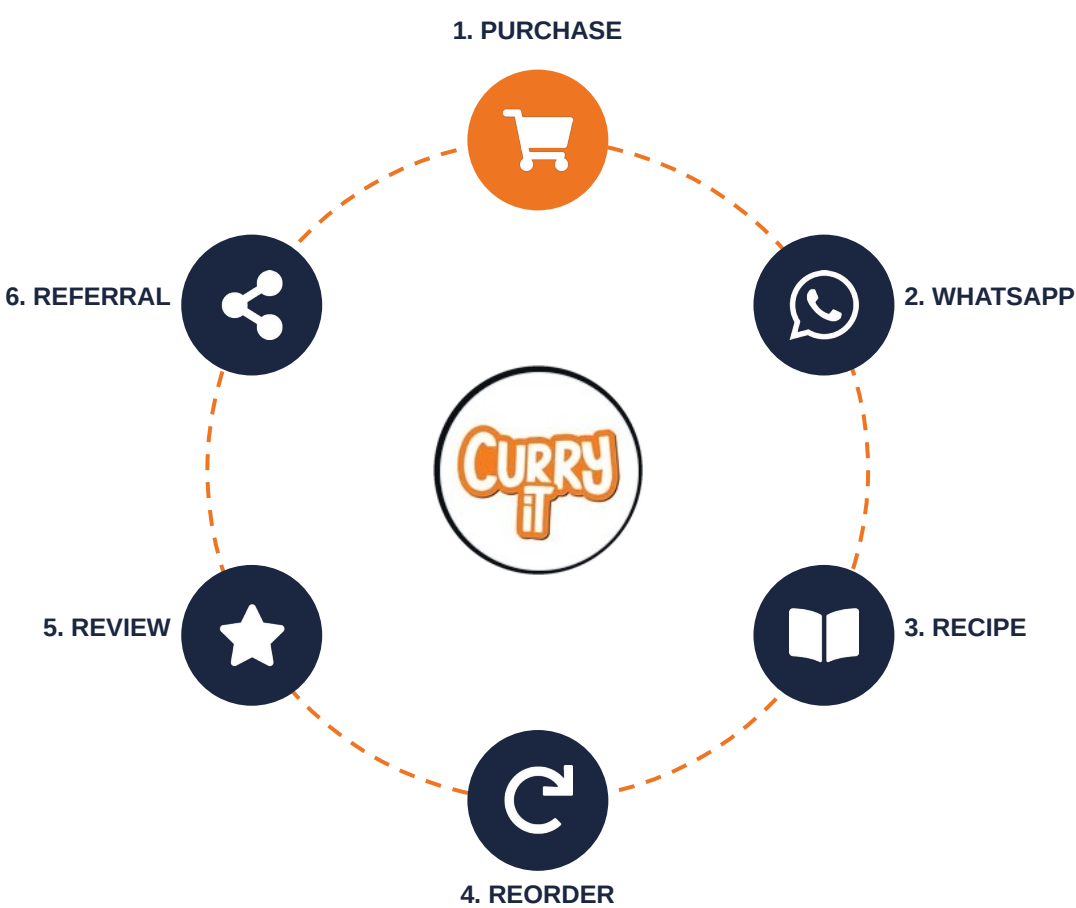

WHAT IS THE CONSUMER DOING AND WHERE?

Supermarket · modern trade · sampling · live demo · retail display · food exhibition.

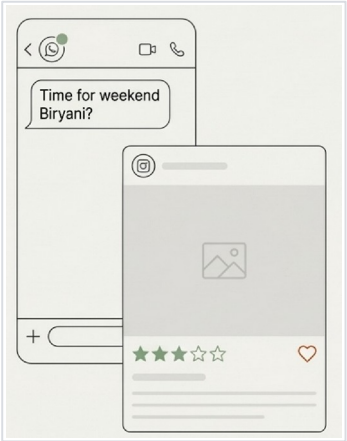

WHO IS WINNING THE SURFACE TODAY?

Availability-led benchmarks (Media Overview): MTR wins through presence wherever consumers shop; Cookd reports 2,000+ stores in Tamil Nadu.

7. BRING ME BACK → MAKE ME RECOMMEND IT

PURCHASE → REPEAT → HABIT → ADVOCACY

Illustrative — Surface Blueprint

WHAT IS THE CONSUMER DOING AND WHERE?

Has already bought. May forget to reorder, want another flavour, need a dinner idea, replenish, buy a bundle or recommend.

WhatsApp · email · Meta retargeting · website · CRM

WHO IS WINNING THE SURFACE TODAY?

No verifiable single RTC brand winner. Advantage comes from first-party data, personalisation and easy reorder journeys.

Meta/RAI 2026 retail study: 72% product discovery reported on WhatsApp (Media Overview).

WHAT IS CURRYIT'S LEVER HERE?

WhatsApp CRM · email · reorder & replenishment reminders · cross-sell · personalised recipes · cart recovery · bundles · new-flavour launches · review & referral asks.

No conventional ranking — visibility = staying in the repeat loop.

“You tried Butter Masala — try Chettinad next.”

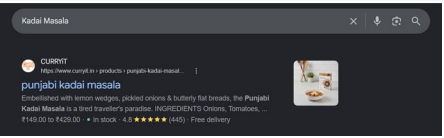

“What are we cooking this weekend?”

“Explore another region of India.”

9. WHAT THE MARKET IS TELLING CURRYiT

1

CURRYiT cannot optimise only for branded searches.

It needs to capture the problem before consumers know the brand.

Google — search: quick Indian dinner

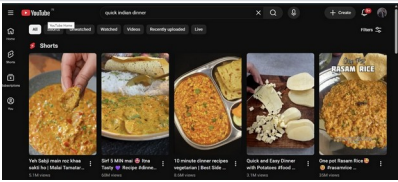

2

Recipe content is both discovery AND commerce infrastructure.

Creators turn dish searches into demand.

YouTube — search: quick indian dinner

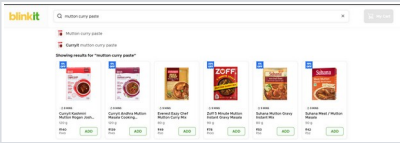

3

CURRYiT already has evidence of organic visibility in some high-intent searches.

The opportunity is to systematically expand that visibility.

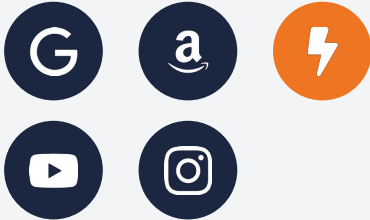

Blinkit — search: mutton curry paste

4

Search visibility is surface-specific.

Google, Amazon, Quick Commerce, YouTube and Instagram require different optimisation mechanisms.

5

The opportunity is to connect the journey.

DISCOVERY → SEARCH → EDUCATION → TRUST → COMPARISON → PURCHASE → REPEAT

CURRYiT packs (Amazon screenshot)

THE MEDIA JOURNEY CURRYiT NEEDS TO CONNECT

10. WHAT CURRYiT SHOULD DO NEXT

- **1. OWN NON-BRANDED SEARCH INTENT**
Build content around dinner problems and dish searches.
- **2. BUILD RECIPE-TO-COMMERCE CONTENT**
Connect YouTube, Shorts, creators and SEO with CURRYiT products.
- **3. CLOSE SEARCH VISIBILITY GAPS**
Prioritise queries where CURRYiT is absent or low-ranking.
- **4. STRENGTHEN HIGH-INTENT COMMERCE SURFACES**
Amazon + Quick Commerce: hero SKUs + retail media + search optimisation + ratings + availability.
- **5. TURN FIRST PURCHASE INTO A HABIT**
WhatsApp + CRM + recipes + reorder + cross-sell + advocacy.

CURRYiT should be present wherever the consumer moves from ‘What should I eat?’ to ‘I’ll buy CURRYiT’ — and then bring them back again.
